Why NELTAS Exams?

*“Learning becomes powerful
when students discover
what they are truly capable of.”*

NELTAS is not just an exam but a platform which offers international competitions and skill-based assessments in **English, Maths & Science** for students of Grades 2 to 8.

Designed with a student-first approach, we focus on:

1. Equal participation for all
2. Thinking-based learning
3. Continuous improvement through structured analysis

Each exam is designed to assess 10 core skills, application, and real-world understanding, not just rote learning.

TWO LEVELS OF INTERNATIONAL COMPETITION

Students progress from the Assessment Round to the Grand Finale, building confidence and skills.

RELEVANT ACROSS CBSE, ICSE, IB AND STATE BOARDS

A wide range of English, Maths & Science study material developed by subject-matter experts.

AWARDS FOR STUDENTS AND EDUCATORS

Recognizing and celebrating every participating student and educators through prestigious awards and certificates.

DETAILED PERFORMANCE ASSESSMENT REPORT

Insightful reports for individual students and schools that highlight student strengths and areas for improvement.

About ECAT

ECAT[®]
International English
Language Competition

ECAT is an English Language Assessment and International Competition that evaluates the knowledge, understanding, and application of English skills such as reading, comprehension, formal and functional grammar, language usage, vocabulary, and reasoning.

Advantage: Gives early exposure to advanced learning and serves as a valuable stepping stone for success in exams like IELTS and TOEFL.

About M-CAT

M-CAT
International
Maths Competition

M-CAT is a Maths Assessment and International Competition which assesses core mathematical abilities. It challenges students with advanced concepts and develops critical thinking, problem-solving, quantitative reasoning, time management, and confidence.

Advantage: Builds a strong mathematical foundation while giving students a global exposure and preparing them for future challenges with enhanced critical thinking and problem-solving skills.

About S-CAT

S-CAT
International
Science Competition

S-CAT is a Science Assessment and International Competition that develops scientific skills and curiosity. It encourages observation, inquiry, critical thinking and conceptual understanding, along with their real-world applications.

Advantage: Students explore the world of science, apply concepts, sharpen critical thinking, and gain confidence through recognition and competition beyond school.

Benefits to Students

- ✧ Preparation for future competitive exams.
- ✧ Equal opportunity for all students to participate through a **FREE Assessment Round**.
- ✧ Academic growth, skill development, and a boost in confidence.
- ✧ Awards and recognition at an international level.
- ✧ 2 free online practice papers for exam preparation in each subject.
- ✧ In-depth analytical reports for targeted improvement.

Benefits to Schools

- ✧ Division-wise and grade-wise analytical reports of student performance.
- ✧ Best School and Super Coordinator Awards.
- ✧ Hassle-free processes.
- ✧ Efficient communication and complete support through a dedicated NELTAS Support Executive.
- ✧ Opportunities for schools and students to gain exposure and international recognition.
- ✧ Aligns with the school curriculum across boards and helps fulfill academic goals.

New Method to Calculate Marks for Grand Finale Awards

	Assessment Round	Grand Finale Round
Actual Marks	60	80
Weightage	30%	70%
Marks After Weighted Average Rule	$60 \times \frac{30}{100} = 18$	$80 \times \frac{70}{100} = 56$
Final Marks for Grand Finale Awards	$18 + 56 = 74$	

Exam Process

1

School Registration

- School registers for NELTAS Exams by filling **School Registration Form**.

2

Form Dispatch & Distribution

- NELTAS dispatches **Student Registration Forms** to the school.
- School distribute forms to students & collect the book amount (if applicable).

NELTAS Offerings for Teachers & Principals

NELTAS Referral Program – Refer & Earn

The NELTAS Referral Program expands the reach of NELTAS Exams, bringing learning opportunities to more schools and students.

How it works:

- Teachers, principal, or coordinators from your school share contact details of other educators in their network.
- NELTAS connects with those schools using the referral information and onboards them for NELTAS Exams.
- After successful onboarding, the referrer receives a monetary award as per the fixed criteria. T&C Apply*

For more details about this program, please contact our support executive.

Educators Success Network (ESN) by NELTAS

ESN is a community to support teachers and principals at every stage of their professional journey. It empowers educators to grow, connect, and collaborate through free expert-led workshops, leadership training, recreational events, and exclusive access to discounted advanced programs.

Members also have the opportunity to become NELTAS instructors and lead sessions themselves, contributing to the larger community.

With ESN, educators gain mentorship, resources, and a vibrant network that fosters personal growth, professional excellence, and long-term success.

Educators' Experience with NELTAS

Dr. Jacqueline Mahadik (Principal)

Prarthana English School (CBSE Board), Mumbai, Maharashtra

"It has been a wonderful experience collaborating with Team NELTAS for the Assessment Round 2025-26. The entire process, from coordination to execution was seamless and well-organized.

A special word of appreciation to Ms. Shankey for her constant support, timely communication, and professional approach that made the process smooth and efficient.

The assessment content was thoughtfully designed, encouraging students to think critically and apply their learning effectively."

Amruta Teli (Coordinator)

Sanskar English Medium school (State Board), Jalgaon, Maharashtra

"Our experience of conducting the NELTAS exam assessment round in our school was very positive. The exam process was smooth and well-structured. Students were enthusiastic and prepared, which made the environment encouraging. As a teacher, I felt proud to see their confidence and hard work. The assessment helped me understand their language skills better and identify areas where they need support. Overall, it was a meaningful and organized experience that contributed to students' academic growth."

Carmine Fernandes (Coordinator)

Rejoice International School (IGCSE Board), Mumbai, Maharashtra

"It has been a pleasure collaborating with Team NELTAS. The overall experience from coordination to content delivery has been smooth and well-organized. The assessment process was systematic, and the support provided throughout made the execution effortless.

Thank you for your constant communication and cooperation. We truly appreciate the professionalism and efficiency shown by your team."

Vishwanath (Coordinator)

Warriors English School (ICSE Board), Chitradurga, Karnataka

"The Questions were clear and concise. The Paper covered all the important topics from the syllabus and balanced distribution of difficulty levels. The mix of conceptual, application-based questions encouraged critical thinking among our students.

Our experience with NELTAS has been nice so far, all our doubts have been addressed immediately. The Assessment Round Model Question Papers also gave us a clear preview of how the NELTAS International Examination is conducted and its benefits."

What Parents Say About NELTAS

Parent of Tvesa Anand Iyer
NELTAS Student 2024-25

"I think it's a great thing. I would like to see NELTAS happening in school year after year and it is helping my child in her studies. To all the parents, I would like to say that it's a great way to make your child's school studies easier and less stressful. Even if the 'Rank' maybe not be the goal, but it will really help them in their career as they do this."

Parent of Reet Sodani
NELTAS Student 2025-26

"My intention behind enrolling her in competitive exams is to help her explore more at this age rather than limiting herself to her current activities. The NELTAS syllabus has been a helpful addition for her. It has allowed her to study, understand concepts better, and get clearer knowledge of the subject topics."

Student Experiences

Anas Sheikh
NELTAS Student 2025-26

"The overall experience with this exam was fantastic. There were easy and tricky questions and some questions helped me think deeply and that's what I loved the most about it."

Aarav Dinesh Nimkar
NELTAS Student 2025-26

"Participating in the NELTAS Exams have made me more confident and have made me want to try harder in other competitive exams as well."
